

Wine storage refrigerator WKr 4176

Wine storage refrigerator of highest quality with 401 litres brut volume, stand-alone. An ideal and reliable appliance for longterm storage of fine wines.

With a steady fresh and dynamic air supply through an activated charcoal filter this appliance provides a constantly high level of air quality.

The height-adjustable bottle shelves ensure reliable wine storage with virtually no vibration at all. Thus the wine can develop in peace.

Constant temperatures promote maturing of your wines. Recommended storage temperatures may be adjusted between +5° C and +18° C from the outer side of the appliance.

Technical Data

Article	WKr4176
Capacity	401 litres / 14.2 cu.ft.
Dimensions	HxWxD: 1644 x 660 x 683 mm / 5.39 x 2.17 x 2.24 ft
Dimensions incl. packing	HxWxD: 1705 x 668 x 744 mm / 5.59 x 2.19 x 2.44 ft
Volume incl. packing	0.84 m ³ / 29.66 cu.ft.
Weight incl. packing	71 kg / 156.6 lb.
Cooling technique	Dynamic air cooling with fresh air supply
Defrosting	Fully automatic defrosting through evaporation
Temperature control	electronic control, temperature range from 5° C to 22° C
Temperature monitor	Digital temperature display on operating panel
Cooling agent	R 134 a
Power supply	120 watt for 220/230 volt, 50 Hz
Energy consumption	0.46 kWh/24 h
Climate rating appliance	suitable for ambient temperatures from 8° C to 43° C
Illumination	Interior light
Door hinges	Door fixing at choice
Door lock	Cylinder lock with 2 keys
Inner casing material	Polystyrene
Outer casing material	Laquered sheet steel
Number of boards	5 height-adjustable bottle shelves made of cherry wood, 1 floor grid
Amount of Bordeaux bottles	169 piece (0,75 l DIN)
Outer casing finish	bordeaux red
Equipment	<ul style="list-style-type: none"> - plain door, "swing-design" - Fresh air supply via activated charcoal filter - Child-proofing - Elegant handlebar - Door alarm with adjustable delay (immediately or 30-180 sec.)
